

Youth Ministry Stock Sale

Investing in St. John's Youth

Dear Parishioners, Neighbors, Family and Friends,

It is our pleasure to announce the Youth Ministry Stock Sale for the 2017-2018 year, which supports St. John Nepomucene youth attending the Catholic Heart Workcamp Service Trip in Denver, Colorado June 16th-23rd and the Steubenville Catholic Youth Conference in St. Paul, Minnesota, July 27th-29th. These trips help teens create a better understanding of who we are as Catholics, deepen their relationship with Jesus and provide tools to become a better leader in their own parish. **Learn more about these trips on the reverse side.

What is the "Stock Sale"? It is a fundraiser where we invite others to buy "stock" or invest in the youth of our parish. Your investment helps offset the cost of the trip for students attending. We also offer scholarships for students who cannot afford to pay for the entire trip. Donations given to the entire group are tax deductible.

How do I benefit as a shareholder? The youth will bring back their enthusiasm to live out the mission of Jesus Christ by spreading the Gospel to St. John Parish and our local community. You will also receive an update from the youth regarding their experience in the fall after the trips (formal invitation to follow).

How much does a share of "Stock" cost? Shares of stock for \$10 each. You may purchase as many shares as you would like (i.e.—5 shares would cost \$50). Orders may be turned in before January 29th, 2018. You will be issued a stock certificate affirming your investment at the shareholders meeting after the trips take place.

What is the Catholic Heart Workcamp Mission Trip?

Catholic Heart is a weeklong service trip that allows teens to encounter the people in the city they are visiting. This coming June, we will be in Denver, Colorado. Students and adult chaperones are split up to work with others from parishes around the country. Some of the work they will do might involve painting residents' homes, working with children at a daycare, working with residents at an assisted living/nursing home, working at St. Vincent DePaul stores or food banks. Teens and adults get to see the Gospel message come alive through good works. Each night there is evening program which consists of praise and worship music, witness talks and reflection, allowing participants to connect what they did during the day to their faith journey.

Steubenville Catholic Youth Conference is a three-day retreat for high school and college age students. The vision of this conference is to allow students to have an intimate encounter with Jesus, to realize God's presence in their own life through music, the Sacraments, prayer and Adoration, national Catholic speakers and fun skits. Thousands of youth gather around the country in various locations this summer for this intense Catholic

experience. We will be heading to St. Paul, Minnesota in July. Last year, our group had an amazing time and made friends from around the diocese—and they continue to keep in touch with them!!! This year's theme is REVEALED from 1John4:9. Come, let Christ be REVEALED to you at Steubenville this coming summer.
